I declare that the information I have given is correct to the best of my knowledge. I accept that I am leaving my dog and any other associated property at this establishment at my own risk. I understand that my dog will be kept in a boarding kennel with other dogs I own/on his or her own throughout the stay with the licensee and I give my consent for this arrangement. If boarded as a group, I further give my permission for the dogs to be separated if the licensee deems it necessary
